

VAT accounting services

**Are you a foreign entrepreneur in Sweden?
Choose Azets as your declaration agent.**

Are you a foreign entrepreneur operating in Sweden? Then you need to be registered for VAT with the Swedish Tax Agency. It's not always easy to keep track of things in this regard. Yet there's a simple solution for all the administration surrounding the submission of tax declarations between countries for endorsement and approval. Choose Azets as your declaration agent.

You can be quietly confident that all your VAT admin is in good hands, giving you more time to focus on what you do best – running your business.

We'll send the documents electronically on your behalf, and all your mail is handled by us. We'll take action

when necessary, and only then. We'll keep a close eye on your tax account and take care of tax payments too. We'll take a note of all the important dates so you'll never risk missing a deadline again.

Azets's VAT accounting services include:

- VAT registration services
- Monthly/quarterly VAT accounting
- Monthly reporting of P.A.Y.E and employer social security contributions
- Tax return representative
- Tax address services at Visma
- Periodic compilation of EU VAT
- Excise Tax return (EMCS)
- Periodic reports

- VAT agent services
- Client bank account at Azets
- Financial and fiscal advice by appointment

In addition to the above, we can help you with other types of statutory reporting, such as the preparation of annual reports and tax returns.

Here's how it works:

- 1.** Complete the form on our website.
- 2.** We'll contact you to discuss the best solution for your business.
- 3.** We'll sign an agreement.
- 4.** We'll submit the application to become your declaration agent.
- 5.** Azets will take care of your VAT in accordance with current legislation.
